

# **FISCAL NOTE**

## **SB 3045 - HB 2827**

March 6, 1998

**SUMMARY OF BILL:** Allows any municipality to maintain a geographic information system and to sell such information to the public to recoup the costs of developing, processing and duplicating such information.

### **ESTIMATED FISCAL IMPACT:**

**Increase Local Govt. Revenues - Exceeds \$100,000 / Permissive**  
**Increase Local Govt. Expenditures - Exceeds \$100,000 / Permissive**

Assumes that the cost to establish and maintain such a system would range from \$20,000 to over \$100,000 annually. Also assumes that if several municipalities across the state choose to establish and maintain a GIS system and charge fees for information, the impact to local governments would be an increase in expenditures exceeding \$100,000 and a corresponding increase in revenues.

### **CERTIFICATION:**

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
